He was prompt, played a great range of music and songs, made purchases / supported our vendors and we thoroughly enjoyed having Chad at the Innisfail Farmers Market. Can't wait to have him back."*

BIOGRAPHY

The Prairie Chad is an Albertan country and roots artist with twenty years in music, film, and live sound. He performs as a complete one-man show: guitar, vocals, and backing tracks, with a footprint small enough for a market stall and a mix large enough for a hall.

The live repertoire covers country, classic hits, and originals. A full engagement runs up to three hours and approximately forty-five songs. Requests that fit the room are accepted. Seasonal Christmas programs are available separately.
